The advertisement features a red background with vertical stripes. At the top, the event name and slogan are written in bold yellow and white text. Below this, a large yellow 'START' button is centered. Underneath the button is a graphic of a yellow heart followed by an equals sign and a yellow soccer ball. At the bottom center, the website URL is displayed. On either side of the central graphic are two photo preview boxes: the left one shows a color photo of two women, and the right one shows a black and white version of the same photo. Each photo box includes the event details and a small icon of a heart and a soccer ball.
