*Delivering fun is our core business!*

Successful in bars, museums, hotels, shopping malls, restaurants, resorts, and other retail locations. An affiliation with NYC Photobooth becomes a source of profit for you.

Here's how it works. At no cost to you, NYC Photobooth provides a vintage style Photobooth where users can pay cash or credit to purchase 1 4X6 Photo-Card with a pre-determined 3,4 or 6-Pose format. They can also choose to have the photos simultaneously uploaded to their Facebook as well as their email accounts..

Each photo-card can be branded with your logo and company information and become a customized reminder of their visit to your venue. For a nominal charge, the exterior of the Photobooth can also be branded and decorated to your specifications.

Additional branding and venue specific backgrounds can be offered using our "green-screen" technology to enable the user to "choose their own backgrounds".
